Good Morning...

We just had a 459 at our Sam's club and where the suspects gained entry by prying a door and then proceeded to the jewelry case and smashed it with sledgehammers they brought with them. We are reaching out to our partner/local agencies to see if this MO/POE fits any similars in surrounding jurisdictions.

Any information, please send to K Waldo at waldo_ki@sbcity.org or Sgt M Mahan at mahan_mi@sbcity.org.

Thank you!
